

Kings Weston House
Food Tastings
At
Kings Weston House

Our food tastings are a great opportunity to meet the Head Chef and Front of House Managers. We take notes of the dishes you try and these are then placed on your wedding file. We hold them on the first Thursday of every month at the house and we do charge a nominal fee to cover the costs of staffing, produce and opening.

You are welcome to taste up to 6 dishes and our price structure is laid out below. You are very welcome to bring your own wines at no extra charge or if you would like to try any of our house wines, these will be charged accordingly.

2/3 courses -

Option a - £20 + £5 starter - £3 dessert

Option b - £22 + £5 starter - £3 dessert

Option c - £25 + £5 starter - £3 dessert

Additional mains (more than one) charge at just £20

Additional starters £5

Additional desserts £3

Food tastings do need to be booked in advance. We recommend 6 months prior to your wedding date. We can either add your tasting payment to your final invoice or take the payment on the evening of your tasting. If we have a no show there will be a cancellation fee applied. Please book in with Naomi on welcome@kingswestonhouse.co.uk and she can look at available times.
