

Kings Weston House

Kids Parties

(Sunday - Thursday only)

If looking at hosting a child's party then there is not much more of a grander venue than Kings Weston House.

The Breakfast and Oak room on the west wing of the house is perfect for such parties. We suggest games in the Oak room, table for eating in the Breakfast room and games or bouncy castles out on the lawn.

Hire is charged at £200 for 4 hours and includes tables and chairs. You are welcome to bring your own decorations, table cloths, napkins, drinks and food but please make sure all is swept up and all rubbish taken with you. A £50 deposit is also required to secure.

If you are looking for something that little bit extra special then our friends at Wild Things Kids can add a cake & sweet table, a children's corner, big balloons or organize the whole party for you! Contact them on hello@wildthingskids.co.uk

Please contact us to book in a viewing of the house, as we would be delighted to meet with you anytime.
