Kings Weston House

Within close proximity of Canford crematorium, Kings Weston House is a majestic home and peaceful place, to host a wake. We understand that at a time of loss it can be a very difficult, so we strive to make the occasion run smoothly and efficiently.

We have a range of suitable rooms from 10 guests to 250. Our in house catering company are happy to provide ploughman's or finger buffets, tea and coffee and prosecco on arrival. Within easy reach of the M4 and M5 we also have free parking.
