

Kings Weston House

Weekday Weddings

(Sunday-Thursday)

As Kings Weston House is a home rather than just an event venue, we don't pack in weddings but don't want to exclude anyone either. So, if looking at holding a weekday wedding or a smaller sized wedding, then this is the package for you!

Exclusive use of the House from 10am until 8pm then exclusive use of the Bistro from 8pm until 11pm.

The bistro is a wonderful space on the lower ground floor that fits up to 80 guests perfectly for discos and parties. It has it's own P.A, bar and toilets.

The menus are the same but the house hire price is a reduced rate of £1295 + VAT

Please don't hesitate to contact us for further details.
